

YMCA OF THREE RIVERS

- **POWER OF TRADES**
To help new immigrants who have work experience in trades from their home country or interested to start their new career into trades in Canada.

- **YOUTH EMPLOYMENT PROGRAM**
Provide individualized support to newcomer youth either in person or virtual, and ensure their job readiness

- **MENTORSHIP**
Designed to support internationally trained professionals new to Canada by matching them with a Mentor for 3 months in their professional field to provide guidance, insights and support in their industry and help build their professional network

- **INVESTING IN WOMEN'S FUTURES**
Helps newcomer and marginalized individuals who identify as women get their economic footing in Canada. Our hope is to provide a safe space for participants to develop skills essential for job search and build resiliency and confidence.
