

ARRIVAL CHECKLIST

New to Canada? Start with these 13 important steps to help you settle in and find the services you need.

- Apply for a [Social Insurance Number](#)
- Apply for a [Health Card](#)
- Apply for the [Child Tax Benefit and GST](#)
- Open a [bank account](#)
- Locate the Settlement Agency closest to your home
- Locate the [Community Health Centre](#) closest to your home
- Locate the [Employment Resource Centre](#) closest to your home
- Locate the Public Library closest to your home
- Get information on your rights as an [employee](#) and a [tenant](#)
- Learn about and explore your child's education options, and get help registering for school (including providing [immunization records](#) and other documents)
- Get maps of street and [public transportation routes](#)
- Consider an English or French language course for you
- For information for newcomers, visit www.settlement.org and [Immigration Waterloo Region](#)

These are great places to start. Get support and connect with services available for you.
